Course Description	<p>The Alka of Sinj is a unique chivalric game that was founded in 1715 and has been performed regularly since the beginning of the 19th century. It originated from the miraculous and heroic defense of Sinj from the Ottoman invaders in 1715. The Alka is primarily tradition of the local population, and it is supposed to be held only in Sinj and with participants only from the Sinj region. The local population embraced Alka as a medium for preserving memory of the heroism and faith of their ancestors. Alka has transcended the boundaries of local festivity and become culturally and politically relevant manifestation at the national level. This course will acquaint students with the historical context of the foundation of Alka and its rules, participants and symbolics. It will explain the ties of Alka and Miraculous Lady of Sinj, cultural influences that shaped Alka and its role in legitimizing different polities.</p>
